SUMMER 2016

A Word from the State Chair

Hi Everyone....

I would like to start by sending out a great big congratulations to all of our JO Nationals and Easterns qualifiers! And a special congratulations to Alexis Kahl from Carolina Gymnastics for her 2nd place finish at Regional Championships and 3rd place finish at Easterns! That is a great accomplishment for our State! Be sure to look through this newsletter to see the results from all of the Regional, Eastern and National championship meets.

I would like to wish our coaches an amazing Olympic year -bringing us lots of future gymnasts to help expand our businesses and future competitive team members and maybe even a future Olympian!

Lastly, please plan on attending our Annual State meeting this year on August 28th as we will be discussing some important possible changes to the SC competition season in future years.

I hope everyone is enjoying their summer!

Joanne Child

Compulsory Coach of the Year- SABINA JOKULIS – AIKEN GYMNASTICS

Sabina Jokulis has spent over 17 years coaching her gymnasts to earn countless team awards and numerous state titles. Sabina's dedication to the training of fundamentals and the physical development of her gymnasts have been instrumental in the success in preparation for competitions. Her dedication to her gymnasts' training has allowed her to help her gymnasts succeed in life and helped several of her students receive gymnastics scholarships. This proven dedication to work ethic, caring, and respect instilled in her gymnasts will continue to positively affect her gymnasts throughout their lives.

Xcel Coach of the Year- KAYA STONE – AIKEN GYMNASTICS

Kaya Stone has helped developed young girls' lives for the more than 13 years by providing them the preparation to be successful in the gym and in life. This has been shown by the achievements her gymnasts have received in individual and team state awards for varying levels of gymnastics in the excel program. The instruction that she gives focuses on the understanding of technique, and the comfort level of each gymnast with the skills they have learned. Coach Kaya considers each gymnast's individual needs when teaching them new skills and the continued reinforcement of previously learned skills.

Optional Coach of the Year- CHRIS ORR – THOMAS GYMNASTICS

Chris Orr is the head coach of our girls' team. He is responsible for the training and development of over 150 girls. He oversees every level of our team program, including all the XCEL levels.

Chris started coaching for Thomas Gymnastics in 2009. In 2011 he was promoted to Co-head coach of our team program. In 2013 Chris was again promoted to head coach. During his time, our team has grown from around 50 gymnasts to over 150. Much of this growth can be attributed to Chris's hard work and dedication to each gymnast.

Over the past years with Chris being Head Coach, our team has produced hundreds of individual state champions, and multiple all around champions, as well as winning several team championships at every level. All of these championships have led to Thomas Gymnastics being named the 2012 and 2013, and 2015 South Carolina Club of the Year. This amazing accomplishment could not have been possible without Chris Orr leading our team.

A note from Carole Ide about our 2016 Olympic Team!

For every little girl who has tumbled across the mat, flipped on the beam, swung from bar to bar and then tried to run full force, flip and then stop dead and stick her vault ~ and to her coaches that have taught and guided her along the way...YOU are the reason why our team is so deep, why so many that have talent, skills and dreams will not head to RIO. YOU are the reason why our flag will be raised...You are the base of our USA clubs and programs that are pushing the top higher and higher...and because of YOU, the 5 athletes selected, and the 3 replacement athletes, will do their very best to represent the USA and raise that flag.
